

## **December 2011 Newsletter**

Did December go by fast or what? Hope everyone had a wonderful Christmas holiday for 2011. The club's December party was at Harry and Jean's restaurant. Nominations for president of the club will be postponed til the January meeting.

The big news of course is Foothills Miata Club coming in as the "Best Decorated Car" in the Simpsonville Christmas parade. We had 15 cars in the event and they all looked fantastic. Mike and Nancy picked up the award at the city hall in Simpsonville. Their pictures was taken with the award and posted on Simpsonville's web site.

Jim L. went to visit his mother in Florida for Christmas and Frances was in TN with her family. Diane and Marlowe have invited us for a drop in at her house on New Year day to bring in 2012.

Ted and Linda Tedrow are our new members in December. They have a 2007 grey Miata. They moved here from Indiana and like driving in the mountains. Just some of their interests are; dog training, flying airplanes, horseback riding and woodworking. Welcome Ted and Linda.

If any of you need to get in shape after all those goodies you had in December. Go see Tina in Spartanburg at curves. Tina has the 2007 marble white miata.

Happy Birthday this month to: Tammy, Greg, Todd, Lamar, Dick
